## About me

Nataša is an enthusiastic, hardworking and result driven person that has a unique and distinctive background.

Besides the fact that she was born in Portugal and that she attended elementary school in Holland, she has a variety of interests and hobbies such as yoga, long distance running, learning languages, and computer sciences. Nataša is also a huge fan of logical puzzles and games (Rubik's cube, Sudoku and Chess). She looks forward to working in an organization with great people, ambitious teams and challenging working environment.
