

CV – Nina Ršumović

Name and surname: Nina Ršumović
Date and place of birth: 05.04.1988.; Belgrade, Serbia
E-mail: ninarsum@gmail.com
Mobile phone: +381 64 94 14 840

Work Experience:

- September 2012. – Ongoing: Sales engineer, RTC d.o.o, Koste Glavinića 9, Beograd
Main activities and responsibilities: promotion and sale of broadcasting equipment

Trainings:

- June 2012. : Project work: Internet Architecture (Configuration of IP addresses and protocols in the given network using Cisco IOS commands). Mentor: Nenad Krajnović
- June 2012. : Project work: IP Telephony (Defining the solution for IP telephony network: numeration plan, link capacity, used protocols, video telephone services, connection to PSTN.). Mentor: Nenad Krajnović
- January 2012.: Junior engineer at Projex Cellular Infrastructure UK, 2430-2440, The Quadrant, Aztec West, Almondsbury, Bristol
Main activities and responsibilities: Processing DT Log files and displaying the results in MapInfo
Department: Laboratory of Telecommunications and Information Technologies Department, School of Electrical Engineering, University of Belgrade
- October 2011. – November 2011.: Project Planning and Organization in Engineering Practice (Preparation of conceptual design and detailed description of the wireless video surveillance system as well as description and time schedule of works and forming offer for the supply, installation and commissioning of the system).
Tutor/Instructor: Marija Božić, BScEE (bozic.maya@gmail.com)
- July 2011. – August 2011.: *IAESTE* student exchange, internship at Silesian University of Technology, Akademicka 16, Gliwice, Poland
Main activities and responsibilities: Implementation of measurement algorithms in graphical programming LabVIEW environment and latching them on digital oscilloscope with gigahertz transition band
- April 2011.: Internship/Training at Institute Mihajlo Pupin, IMP Telecommunications, Volgina 15, Belgrad
Main activities and responsibilities: Simulation of IP networks with differentiated services in programming environment NS2 (*Network Simulator 2*)

Education:

- October 2011. – March 2013.: Master of Science in Electrical Engineering, School of Electrical Engineering, University of Belgrade, Bulevar kralja Aleksandra 73
Department: Systems Engineering and Radio Communication
Master thesis: Comparative analysis of network simulators NS2 and OPNET ITGAE on DV routing protocol examples
GPA: 10 / 10
- November 2011. – July 2012: *CCNA Exploration*, Cisco academy, RC ETF, Bulevar kralja Aleksandra 73
Cisco certificate: valid from 08.11.2012. (Verification No.: 412244174368FNUF)
- October 2007. – September 2011.: Bachelor of Science in Electrical Engineering, School of Electrical Engineering, University of Belgrade, Bulevar kralja Aleksandra 73
Department: Telecommunications and Information technologies - Systems Engineering
Graduation Thesis: The parameters of performance evaluation of optical telecommunication systems
GPA: 8.58 / 10
- September 2003. – Jun 2007.: Third Belgrade high school, Njegoševa 15, Belgrade

Other information:

Languages:

- Serbian (native speaker)
- English (Very good knowledge of written and spoken language)
- Russian (Basic knowledge of written and spoken language)

Social skills: Hard-working, persistent, responsible, initiator, optimistic, reliable, good communication skills and ability to work in a team

Organizational skills: Sense of organization (former EESTEC member, former IEEE student branch member, former SSETF member)

Computer skills:

- Advanced knowledge of Microsoft Office tool
- Basic knowledge of C programming language and Linux OS (Bash Shell)
- Good knowledge of simulators: NS2, Matlab, Labview, OPNET ITGAE

Hobby: capoeira

Driver license: Category B
