- »Продавница Сунце« chain of grocery retail stores

August 2011: Name, visual identity, logo, appearance of stores (window display decals and banners) and employee uniforms. Link:  
<http://www.ekos.rs/n/s.png> Used tools: Adobe Photoshop, Adobe Illustrator.

Qvattro Company, owner of »Продавница Сунце« retail stores, have continued hiring me up to this day, I have worked on several of their stores, (including »Мера Сунце«, large format store), and their website - <http://www.prodavnिकासunce.rs> where more photos and information can be found. Used tools: Adobe Photoshop, Wordpress.

Beside this, for same company I created over 100 brochures for discount sale events (photography, photo - manipulation, design), design and print preparation for one of their trademarks, design and print preparation of decals for several of their vehicles, and visual identity and corporate logo for Qvattro Company, also design of visual identity for their bakery business, »Пекарска Индустија Сунце«.
