

Are you our next Quality Management Intern?

We are searching for recent graduate or a final year student who is eager to join our Quality Management team. Applicants need to possess a strong work ethic, attention to detail, and the ability to adapt to changing situations. Don't miss out on this chance to enhance your skills and make a lasting impact in the industry.

Supporting role within our Quality Management team

Our Quality Management team is welcoming newcomer who will have an opportunity to gain practical experience and knowledge while supporting day to day activities of Quality department. This is a fantastic opportunity to learn, grow and develop in a multinational and dynamic company.

What will you be doing?

- Learn about technological processes of the preparation of cut tobacco, making a filter rod, cigarette, making and packaging;
- Learn about applications that are used in quality control;
- Learn about Integrated Management System – ISO;
- Meet the Quality Assurance/Improvement process;
- Learn about techniques and methods of problem solving and continuous improvement;
- Implement and execute projects and activities in coordination with line manager.
