## PROFILE

Communicative and responsible student ready to take action, and work for the benefit of the team, and able to operate under pressure.

## EDUCATION

2014 - present	<b>School of Electrical Engineering, University of Belgrade, Belgrade (Serbia)</b> Power engineering
2010 - 2014	<b>12th Belgrade gymnasium</b>

## EXPERIENCE

09.2018 - 10.2018	<b>EPS Distribution - TENT A</b> Intern During my time there I have visited the hole thermal power plant, and I have been working on SCADA system, that is in charge for regulation of termal plant.
2018 - present	<b>EESTEC</b> Soft skills trainer I have delivered more than 30 hours of training sessions with the goal to empower personal growth in individuals and development of organizations. I have been involved in the organization of Soft Skills Academy in Belgrade and Krakow. My areas of expertise are: public speaking, presentation skills, persuasion, communication skills, feedback, conflict resolution, time management and leadership.
2016	<b>EESTEC LC Belgrade</b> Vice-chairwoman for Public Relations I have been leading the organization with more than 150 members, together with five other members of the board. Together, we were responsible for developing strategies, projects, teams and activities. As public relations responsible my tasks included: communication with media, preparation of promo material, updating website, engaging with users via social networks and leading PR team.
