## Profile:

---

I am a Senior Undergraduate at the Faculty of Mechanical Engineering in Belgrade. I have conditionally listened to Master studies at the Department of Production Engineering, which I plan to enroll next year. I believe that I can apply knowledge and experience to company for mutual benefit. Working there is an ideal opportunity for my professional development.

## Experience :

---

I am very active in volunteer work (Health Center, Red Cross, High School), as well as in student and high school organizations (active member of the Student Union of Faculty of Mechanical Engineering, leader of the marketing team and improving classes). I'm a participant of Park Up project in Science Technology Park. Interested in working in non-profit and informal societies.
